

ELECTRICAL SAFETY RECALL

Infinity / Olsent Cable

IDENTIFICATION:

This recall is for all sizes and configurations of Flexible Low Voltage Electrical Cable which is PVC Sheathed and PVC Insulated, imported or sold by Infinity cable Co Pty Ltd, branded as Infinity cable or Olsent cable and sold or installed by any on sellers or installers, commonly known as 'TPS' or 'Orange Round'.

DEFECT:

An issue has been identified with the insulation and sheathing PVC compound of the electrical cable that may lead to a reduction in the cable insulation integrity.

HAZARD:

There is potential for this product to cause a serious electrical shock.

ACTION REQUIRED:

Contact the seller of the cable to arrange the remediation of the electrical installation as per the infinity cable recall guidelines. Unused cable should be returned to the place of purchase for a full refund or replacement.
